Parsian Esteghlal International Hotel ★★★★★

The five star Persian Esteghlal International Hotel is located in the down foot of the Alborz mountain range with 90,000 m² area, having two towers each with 15 floors, a total of 552 luxurious rooms and suites, not only is the biggest and the most glorious hotel in the capital city, but also from various aspects is exclusive in the Islamic Republic of Iran

.In addition to having rare merits and capabilities of reception & accommodations, is also in terms of geographical position, situated in the best climatic region of mega city Tehran which is so called "Bagh-A-Shahr (Garden City)". This exclusive feature along with numerous other advantages such as; Adjutancy or close distances to Tehran International Exhibitions Center, the radio & TV station, the longest and the most beautiful Boulevard (Vali-Asr) which is one of Tehran's tourist attraction, Tochal tele`cabin' Sports & Recreation Complex considered as one of the longest and contiguous tele`cabin lines) in the world(ten minutes), Historical-Cultural Complex of Sa`ad-Abbad and Mellat Park, easy access to numerous Tehran' Cultural, Historical, Therapeutic, Educational Commercial and Worth seeing centers, and tens of other advantages are the reasons differentiate this hotel with other existing hotel in Tehran. Not only our respectful guests would enjoy receptions and accommodations but also will remember staying at hotel as well.

502 rooms & 48 suites equipped with luxury , all having safety system of fires extinguishers, private safe boxes , Satellites channels, high speed internet, mini-bar, 24 hours room service are among other facilities of five star Parsina Esteghlal Hotel.

The large suites of hotel West tower are equipped with three separate rooms and vast view of Tehran .The large suites in East tower consists of one room and a meeting room to hold meetings with a vast view of Tehran northern heights at upper levels are another reason for exclusiveness of this hotel. It is necessary to mention that all 42 small suites have been well equipped with modern technologies, communication tools, furniture and decoration of Iranian artists.
